Scholarships Available

Once again, scholarships will be available to college, vocational, and technical school bound students through the CWEC Operation Roundup program. Both traditional and nontraditional students are encouraged to apply. To be eligible, either the student or parents must have their primary residence located on CWEC lines and participate in Operation Roundup. Applications are available from your high school guidance counselor, online at www.cwecoop.com (Services Section) or by contacting Mark Forseth at 715-677-2211 or by email at mark.forseth@cwecoop.com.

Since the CWEC scholarship program began in 2005 we have provided more than \$161,000 in scholarships to area students. Giving back to the community is one of the cooperative principals; furthering the education of our members is another.

The deadline for returning completed applications is **Wednesday, April 1, 2015**. Please mail your completed scholarship application to the address below, or drop it off in person at the CWEC office in Rosholt.

Attn: Scholarship Program
PO Box 100
Rosholt, WI 54473

Scholarship winners must maintain a minimum 2.0 grade point average and full time student equivalent during their first quarter or semester of college or vocational-technical school. Payment will be made upon completion of the first quarter or semester of college, vocational, or technical school and will be issued to the student. The recipient will need to provide the Cooperative with a copy of his/her grades and proof of enrollment for second semester.

CWEC celebrates National Lineman Appreciation Day

America's electric cooperatives have designated the second Monday of April as National Lineman Appreciation Day.

On April 13, 2015, CWEC will honor the hard working men and women who often work in challenging conditions to keep the lights on.

The full text of the resolution, which the National Rural Electric Cooperative Association (NRECA) Board adopted unanimously, follows:

“Whereas linemen leave their families and put their lives on the line every day to keep the power on; Whereas linemen work 365 days a year under dangerous conditions to build, maintain and repair the electric infrastructure; Whereas linemen are the first responders of the electric cooperative family, getting power back on and making things safe for all after storms and accidents; and Whereas there would be no electric cooperatives without the brave men and women who comprise our corps of linemen;

Therefore be it resolved that NRECA recognize the Second Monday of April of each year as National Lineman Appreciation Day and make available to electric cooperatives, materials and support to recognize the contributions of these valuable men and women to America's Electric Cooperatives.”

We proudly recognize all electric linemen for the services they perform around the clock in dangerous conditions to keep power flowing and protect the public's safety.

“Electric linemen do not often receive the recognition they deserve,” said Mike Wade, President and CEO. “They work all hours of the day, often in hazardous conditions far from their families, going above and beyond to restore power to their communities. Our linemen, as well as linemen from across the nation, truly deserve this special day of recognition.”

CWEC invites members to take a moment to thank a lineman for the work they do. Use #ThankALineman to show your support for the men and women who light our lives.
