# HAVE A SAFE AND HAPPY HOLIDAY SEASON

As you enjoy the holiday season and prepare for the new year, remember to be vigilant in regards to your safety habits. Check your holiday lights for frayed cords and loose connections, and always turn off holiday lights when you leave the house or when you go to bed. Test your smoke alarms and clean or replace your furnace

filter as needed. The holidays are about family and friends, and we all enjoy a little time off from work. But above all, remember to be responsible and play it safe.

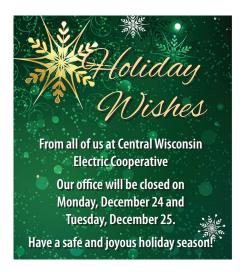

Thanks to all of you who attended our Member Appreciation Breakfast in October. We may have had the largest attendance ever based on the number of pancakes that were served. The directors, employees, and I enjoyed visiting with you and listening to your ideas on how to improve the cooperative. The arts and crafts fair was a huge hit, and many of you brought documents to be discarded using our secure disposal service. It was wonderful to visit with each of you, and I look forward to seeing you in April at the annual meeting.

Our Toys for Tots campaign is in full swing. Now is the perfect time to donate a toy at one of the local toy drop locations. These toys will find their way into the hands of a deserving child in the area. Your generous donations have put smiles on the faces of thousands of children since the program began. Thank you for continuing to support our local families.

As we pause to celebrate the holiday season this year, it is time to reflect on our many accomplishments during the year. We have many things to be thankful for, and I am especially grateful to be associated with Central Wisconsin Electric Cooperative. The cooperative plays a vital role in supporting our local communities and providing our members with safe and reliable electric energy. I hope you find our services beneficial and will continue to support us as we prepare ourselves for a new year.

From all of us at Central Wisconsin Electric Cooperative, we are proud to be of service to you. We hope that you and your family are safe and warm during this holiday season. We wish you a very Merry Christmas and a Happy New Year.

# TIP OF THE MONTH

Never use an indoor extension cord for outdoor use. Use an extension cord specifically for outdoors; they are heavier and less likely to be damaged.

# **BOARD MEETING SUMMARY**

A regular meeting of the Board of Directors of Central Wisconsin Electric Cooperative was held at the headquarters in Rosholt at 7:56 a.m. on September 27, 2018. Following is a summary of the meeting activities. The agenda, minutes of the August 26, 2018 meeting, new and terminated memberships, and the monthly safety and compliance report were approved.

### Action Items

- a. Monthly Financial Statements and Reports were approved. Finance Committee reviewed checks written and the board and CEO expenses.
- b. The board agreed to continue investing in ATC as part of the fourth capital call of 2018.
- c. The board approved the capital credits retirement amount of \$253,849.43 for the years 1993–2013.
- d. The board selected the attendees for the WECA Annual Meeting, the voting delegate, and the voting delegate for the Federated Youth Foundation.
- e. The CEO reported on the conversion from mercury vapor lights to LED lights. The board approved modifi-

- cations to the Outdoor Lighting Service Schedule.
- f. The board discussed the term limits for the director-at-large position, assigning the Governance Committee to further review options.

Operations and Engineering – Ram Utilities began inspections of poles off the Wittenberg Substation. Tigerton tower will be permanently removed in the very near future. The Auto Vehicle Locator (AVL) software has been installed and is working.

Accounting and Finance – Hot weather increased sales of kWhs for the month which improves our budget outlook. Member Services – The Member Appreciation Pancake Breakfast will be held Saturday, October 27, 2018. The Prairie Project is nearing the end of our first full year of maintenance.

President and CEO – Employees recently toured the Domtar Biomass Facility in Rothschild. CWEC will begin working on budgets and goals for 2019. The board reviewed the written report of Economic Development Activity for September. Meeting adjourned at 10:12 a.m., followed by the annual Board Tour, this year traveling to the Stockbridge-Munsee Community area.

# AREA KIDS NEED OUR HELP

Christmas is a time of joy, happiness, and goodwill. It is a time of giving and helping those who are less fortunate than us, especially children. Central Wisconsin Electric Cooperative kicked off their annual Toys for

Tots drive at their Member Appreciation Pancake Breakfast on Saturday, October 27. The response was overwhelming; four Toys for Tots boxes were filled with toys—your generous donations were greatly appreciated.

We are happy to once again partner with the U.S Marine Corps to help make area children's Christmas a little brighter

through the Toys for Tots program. We ask you to help us spread a little Christmas joy this holiday season by donating a toy.

Last year we were able to provide toys to more than 800 area children. All indications are that the amount will increase this year. As you can image, it is a pretty daunting task to collect that many toys. This is where CWEC members can help. Help us spread a little Christmas joy this holiday season by donating a new unwrapped toy. All of the toys we collect are distributed locally.

To find the collection site nearest you, please see the accompanying list. If you would like us to do the shopping for you, you can make a check to Toys for Tots and mail it to us at Central Wisconsin Electric Co-op, P.O. Box 100, Rosholt, WI 54473. If you would like to make a donation online, go to http://iola-wi.toysfortots.org.

Best wishes for a joyful Christmas.

compete with the major brands is hard, but in Tigerton, there is Mike's Country Meats. Mike's is the one-stop shop for all things jerky. To find out more, check out their website at www.mikescountrymeats.com, visit their Facebook page at "Mike's Country Meats," stop in person at 800 County Road M, Tigerton, or call 715-535-4741.

You can find it online, in person, in all 50 states, and even sponsored on the nationally televised "Larry Smith Outdoors" show.

Mike's Country Meats is a one-of-akind, family-owned and operated, quality beef jerky retailer that boasts seven amazing flavors. They have a flavor to suit everyone's preferences, and even sell a scorching hot Carolina Reaper jerky.

However, their claim to fame wasn't always selling beef jerky. Once upon a time, they were operating out of a garage, and back then, jerky wasn't even their main focus.

Mike's Country Meats used to be

called "Mike's Wild Game Processing," where they would process game brought in by a multitude of patrons. After realizing how successful their beef jerky recipe was, they decided to ditch processing and venture headfirst into the jerky business.

Mike's Country Meats uses top rounds for their jerky, ensuring top-ofthe-line quality. Their process for making such amazing jerky is simple. They slice, add au jus, tumble, lie out, and send to the smoke house for four hours to get the most perfect jerky possible. After cooling and cutting, the product transforms into a mouthwatering piece of jerky that will keep you coming back for more.

The delectable flavors include Carolina Reaper, Ghost Pepper, Honey Barbecue, Hot Jamaican, Maple Brown Sugar, Pepper, and Regular (teriyaki). They also have special online packages that make the perfect gift for the jerky lover in your

Great taste isn't the only quality that makes Mike's Country Meats so special.

# **NEED HELP PAYING YOUR ENERGY BILLS?**

Central Wisconsin Electric Cooperative's Commitment to Community Program is designed to help households with their energy costs, including electric bills. For many Wisconsin households, energy costs place a severe and continuing stress on the family budget. To better serve our members, CWEC is joining the Wisconsin Home Energy Plus (HE+) program. This program is funded through public benefits and federal dollars to help eligible low-income households pay for home energy assistance and weatherization. Members may be eligible if they meet the HE+ program guidelines. Members should contact their local agency to determine eligibility.
